To maintain the professional image of the Bangkok International Motor Show and to ensure strict adherence to the scheduled presentation and public relations timelines, we kindly request the cooperation of all exhibitors—including car brands, motorcycle brands, and other participating companies—to strictly follow the assigned presentation slots. Please comply with the instructions provided by the event staff at all times.

For the group photo session following each brand's presentation and media briefing, the organizers respectfully request that the photos be taken exclusively between the Chairman, the Vice Chairman of the 47th Bangkok International Motor Show, and the executives of each respective brand. This guideline applies to Press Day on 23 March 2026 (CAR BRANDS) and 24 March 2026 (MOTORCYCLE BRANDS & OTHER PRODUCT CATEGORIES), in order to ensure efficient time management on both days.

Should you wish to invite your distinguished guests or VIP media representatives for photo opportunities at your booth, you may do so after the official photo session between the Executive Committee of the 47th Bangkok International Motor Show and your brand's executives has been completed.

We kindly request your cooperation and understanding on this matter

Respectfully Yours,

Mr. Jaturont Komolmis
Vice Chairman
The 47th Bangkok International Motor Show
