A red Nissan Terra SUV is parked on a grassy field. Three people are present: one standing on the left in a white jacket and cap holding a camera, one sitting in a chair in the center wearing a mask and holding a camera, and one sitting on a wooden crate on the right in a white jacket and cap wearing a mask. A green tent and various camping gear are set up on the grass. In the background, there are trees, a fence, and a paved area with red and white barriers.
